I.

STATEMENT OF THE CASE

On June 5th, a complaint was filed in the United States
District for the Southern District of California, charging
Ernest Guerrero-Rivera and Soledad Martinez-Jimenez with

1 violating Title 8 United States Code Sec. 1324(a)(2)(B)(iii),
2 Bringing in aliens without presentation.

3 On June 18th, 2008 an indictment was handed down by the
4 January 2007 Grand Jury for the Southern District of California,
5 charging both defendants with a violation of Title 8, United
6 States Code, sec. 1324(a)(2)(b)(ii) for Bringing in Illegal
7 Aliens for Financial Gain and Aiding and Abetting, and with
8 violating Title 8, United States Code Sec. 1324(a)(1)(A)(2) for
9 Transportation of Illegal Aliens and Aiding and Abetting. Both
10 defendants entered not guilty pleas.

11 On July 15th, 2008, a Motion Hearing was held in front of
12 Magistrate Judge Leo S. Papas in response to a Motion for Video
13 Taped Deposition, over the objection of both defendants. (Motion
14 for Video Taped Deposition, PACER #18, 6/23/08; Opposition to
15 Motion for Video Taped Deposition, PACER #20, 7/14/08.) The
16 Motion by the Attorney for the Material Witness was granted, and
17 the video taped deposition was scheduled for July 28th, 2008.

18 The deposition was held on July 28th, 2008 and on July 29th,
19 2008 Mr. Guerrero-Rivera filed an Opposition to Request for
20 Order to Release Material Witness, Jose Gonzaga. (PACER #27,
21 7/29/08.)

22 At the deposition, the material witness testified that he
23 had flown to Tijuana from Jalisco approximately two weeks prior
24 to his apprehension on June 3rd. He testified that he checked
25 into a hotel near downtown and a man named "El Verde" came to

1 see him. Omar, Mr. Gonzaga's brother, made the arrangements
2 with El Verde. Gonzaga attempted to cross for the first time a
3 week after his arrival in Tijuana. He crossed on foot, not on
4 horseback, with a small group of people, near the hills by the
5 San Ysidro port of entry. He was caught and returned to
6 Tijuana. He waited another week in the hotel, then El Verde
7 brought him cowboy boots and told him he was going to be
8 crossing on horse back.

9 Gonzaga was taken to the border in a taxi at around 5 P.M.
10 on June 3d. He is unfamiliar with the streets in Tijuana, but
11 knew he was close to the ocean because he could see the Tijuana
12 Bull Ring. Gonzaga said he is familiar with the Bull Ring as a
13 landmark. Using a combination of color photographs and a
14 topographical map, Gonzaga indicated that he crossed into border
15 state park, east of Monument Ave. but West of the entrance to
16 Goat Canyon.

17 Gonzaga testified that when he crossed, two riders were on
18 a horse, approximately 10 meters away. A second horse with one
19 rider approached him. The rider of the second horse dismounted,
20 handed Gonzaga a hat, and hopped back into the fence into
21 Mexico. The rider of the horse with two people on it
22 (identified as the defendants) made a waving gesture towards
23 him. Gonzaga first rode parallel to the border on a well marked
24 path, then turned north on an unpaved road. Gonzaga was thrown
25 from the horse at a location he recognized by identifying

1 photographs as a north/south dirt path, where the homes south of
2 the border were clearly within sight. Agent Leyva apprehended
3 him while he was walking north on the dirt path.

4 In Leyva's report, there is an "Addendum" where scope
5 operator Monica Monroy made her own statement. She stated that
6 she saw a horse with one rider separate from the horse with two
7 riders and travel down to the border were, "the single rider
8 headed south in the creek bed area. The single rider was riding
9 on a trail that leads behind a hill to an area known as "the
10 Bunkers Hill" and was out of my view... A few minutes later, the
11 single rider came back north out of the brush and headed back to
12 the couple on the horse. Monroy dropped her observation to view
13 other areas, and looked back some time later, at which point she
14 observed that the single rider had fallen off his horse.

15 Gonzaga also testified that he had been in the United
16 States from 2006 through November 2007, living in San Diego, at
17 which point he was deported. His brother lives in San Diego and
18 he knows people from his last time living here.

19 II.

20 Request for Discovery

21 To date, the defendant has received 139 pages of discovery
22 and 1 DVD. The defendant had conducted informal discovery
23 conference prior to the Material Witness deposition,
24 specifically for a fuller immigration history search for the
25 material witness, but that information was not produced.

1 (1) The Defendant's Statements The government must
2 disclose to the defendant all copies of any written or recorded
3 statements made by the defendant; the substance of any
4 statements made by the defendant, which the government intends
5 to offer in evidence at trial—either in its case in chief or
6 rebuttal; any response by the defendant to interrogation; the
7 substance of any oral statements, which the government intends
8 to introduce at trial, and any written summaries of the
9 defendant's oral statements contained in the handwritten notes
10 of the government agent; any response to any Miranda warnings
11 which may have been given to the defendant; as well as any other
12 statements by the defendant. Fed. R. Crim. P. 16(a)(1)(A).
13

14 (2) Arrest Reports and Notes. The defendant requests that
15 the Government turnover all arrest reports, notes, TECS records,
16 dispatch tapes, audio tapes, and any video tapes not already
17 produced that relate to the circumstances surrounding his arrest
18 or any questioning.

19 (3) Brady Material The defendant requests all documents,
20 statements, agents' reports and tangible evidence favorable to
21 the defendant on the issue of guilt and/or which affects the
22 credibility of the governments case. Kyles v. Whitley, 514 U.S.
23 419 (1995). Under Brady, Kyles and their progeny, impeachment,
24 as well as exculpatory evidence, falls within the definition of
25 evidence favorable to the accused. See also United States v.
Bagley, 473 U.S. 667 (1985). Mr. Guerrero already informally

1 requested all information regarding the immigration status of
2 the material witness; a complete criminal history report of the
3 material witness; and any reports of investigations, prior
4 statements, prior arrest, etc. of the material witness.

5 Mr. Guerrero brought up this specific issue in his
6 moving papers in opposition to the motion for deposition and
7 also raised it in from of the magistrate during the hearing on
8 the motion for video taped deposition that was granted. At the
9 hearing AUSA Miller represented that he was unaware of any
10 requests for the immigration or criminal history of their
11 material witness, however his entry as the attorney on the case
12 post-dates the filing of Mr. Guerrero's Motion in Opposition to
13 the Motion for Video Taped deposition. Today, he filed a
14 separate Opposition to Request for Order Releasing Material
15 Witness. It has been and will continue to be the position of
16 Mr. Guerrero that further time for investigation into the
17 material witnesses criminal and immigration history is required.

18 Should the material witness be released before the
19 government has a chance to fully comply with its Brady
20 obligations, Mr. Guerrero will file a motion to dismiss the
21 indictment for Brady violations and violations to Mr. Guerrero's
22 sixth amendment right of confrontation at a later date.

23 (4) Any Proposed 404(b) Evidence. The government must
24 produce evidence of prior similar acts under Fed R. Crim P.
25 16(a)(1)(C) and Fed. R. Evid. 404(b)and 609. Mr. Guerrero

1 requests the court set a "cut-off" date for disclosure of 404(b)
2 evidence.

3 (5) Tangible Objects. The defendant requests the
4 opportunity to inspect and copy, as well as test, if necessary,
5 all other documents and tangible objects, including photographs,
6 books, papers, documents, cellular phones, fingerprint analyses,
7 vehicles, or copies of portions thereof, which are material to
8 the defense, or intended for use in the government-case-in-
9 chief. Mr. Guerrero specifically requests that the court order
10 the government to allow defense counsel to view, inspect, and
11 copy the A-file of the material witness.

12 (6) Evidence of Bias or Motive to Lie. The defendant
13 requests any evidence that any prospective government witness is
14 biased or prejudiced against the defendant, or has a motive to
15 falsify or distort his or her testimony.

16 (7) Agent Misconduct Information. Pursuant to Henthorn,
17 Mr. Guerrero requests that AUSA Miller oversee a review of all
18 personnel files of each agent involved in the present case for
19 impeachment material. United States v. Henthorn, 931 F. 2d 29(9th
20 Cir. 1991).

21 (8) Evidence Affecting Perception, Recollection, Ability
22 to Communicate or Truth Telling. Defense requests any evidence
23 relating to the location of Agent Montoy when she was viewing
24 the incident from her remote location. Specifically, defense
25

1 requests the position from which she observed the incident, and
2 the equipment that she utilized to make those observations.

3 (9) Agreements Between the Government and Witnesses. In
4 this case, the defendant requests identification of any
5 cooperating witnesses, who have committed crimes, but were not
6 charged, so that they may testify for the government in this
7 case. The defendant also requests discovery regarding any
8 express or implicit promise; understanding; offer of immunity;
9 past, present, or future compensation; or any other kind of
10 agreement or understanding. This request also includes any
11 discussion with a potential witness about, or advice concerning,
12 any contemplated prosecution, or any possible plea bargain, even
13 if no bargain was made, or the advice not followed. This
14 request specifically includes disclosure of all arrangements
15 made between the material witness and the government.

16 (10) Bias by Informants or Cooperating Witnesses. The
17 defendant requests disclosure of any information indicating bias
18 on the part of any cooperating witness.

19 (11) Residual Request. Mr. Guerrero intends, by this
20 discovery motion to invoke her rights to discovery to the
21 fullest extent possible under the Federal Rules of Criminal
22 Procedure and the Constitution and laws of the United States.
23 Mr. Guerrero requests that the government provide his attorney
24 with the material sufficiently in advance of trial to avoid
25 unnecessary delay during cross-examination.

III.

REQUEST FOR LEAVE TO FILE FURTHER MOTIONS

Mr. Guerrero is requesting leave of file further motions. In the event that the material witness is released prior to the opportunity of defense counsel to question him about prior immigration contacts and/or criminal history, Mr. Guerrero requests leave to file a motion to dismiss based on violations of the Brady requirements and his 6th Amendment Confrontation Clause rights.

IV.

CONCLUSION

For the foregoing reasons, Mr. Guerrero respectfully requests that this Court grant his motions.
